

VACANCY

Job Title:	Senior Adoption Social Worker
Salary:	£32,910- £34,728
Hours:	37 Hours per week
Contract:	Permanent Contract
Reporting to:	Practice Manager
Based in:	Easton, Bristol

CCS Adoption is a Voluntary Adoption Agency and registered charity. Continuously Rated 'Outstanding' by Ofsted (for over 10 years), we find permanent, loving homes for children who are waiting to be adopted. We also offer a wide range of post-adoption support services for adoptive families in the region through The Centre for Adoption Support & Education. We are committed to maintaining this high level of performance and developing further the innovative services we provide for children and adoptive families.

An exciting opportunity has arisen for a Senior Adoption Social Worker at CCS. The posts are based in our Bristol office, covering Wiltshire, Somerset, Gloucestershire, South Gloucestershire, Bath, Bristol, Swindon and South Wales.

The post holder will be 3 years qualified Social Worker preferably with adoption experience, who will be undertaking adoption assessment and making and supporting placements as well as contributing to all aspects of the Agency's adoption service. This will include recruitment activities, family finding, Post adoption Support, assisting on training. Opportunity for creativity and innovative practice is encouraged and welcomed.

We provide a range of generous staff benefits:

25 annual leave days, statutory bank holidays plus additional 2 days over Easter, an additional day in May and the office is closed between Christmas and New Year. As an employer we take the Well-being of our staff seriously, we also provide access to the Cycle to Work, Eye care schemes and an Employee Assistance Programme.

CCS values itself on being an inclusive employer, committed to developing a diverse workforce and looking for people who can demonstrate dedication to our cause and core organisational values.

We welcome applications from all backgrounds and continue to celebrate the diverse community that different individuals create.
