

## VACANCY

**Job Title:** Trustee (volunteer, unpaid role, reasonable expenses paid)  
**Based in:** Bristol

**We have opportunities for new trustees to join CCS to support our work and help us drive our ambitions forward. Do you want to make a positive difference to the lives of children by helping them to find their forever family? Do you want to ensure there is ongoing, specialist support for children and families for as long as they need it? If so, this fantastic opportunity could be for you.**

We have two positions to fill and are looking for someone who has financial management or accountancy experience, and someone who has the lived experience of going through the adoption process and adopting a child or children. Whether you are an experienced trustee or wanting to take your first step at Board level, if you share our ethos, we'd like to hear from you.

CCS Adoption is a Voluntary Adoption Agency. We find permanent, loving homes for children who have a plan for adoption, including those who tend to wait longest. We also provide a range of therapeutic packages to adopted children and their families; and a wide range of innovative support services for adoptive families, offering groups, activities, workshops and training for Adoptive families from The Centre. Rated Outstanding by Ofsted, we are continuously developing and improving our services for adoptive families.

CCS values itself on being an inclusive employer, committed to developing a diverse workforce and looking for people who can demonstrate dedication to our cause and core organisational values.

We welcome applications from all backgrounds and continue to celebrate the diverse community that different individuals create.
