

# Adopter preparation and post-adoption training programmes

DELIVERED BY

## ccs adoption

“85% of respondents attending Day 1 training rated the session 9/10 or higher”

**At CCS Adoption, we offer comprehensive adoption preparation training throughout the assessment, family finding and post-placement stages.**

We are able to offer courses or single places to adoption agencies and individuals, including family and friends, throughout the UK (online). All training is currently delivered by our experienced trainer who is also an experienced adoptive parent.

Both our online and in-person training sessions are interactive and research based. We encourage feedback from everyone we train so that we are providing the learning that will support adopters to be the best parents and advocates for their children.

For more information, including dates of our adoption training programmes, please contact our trainer Jane Thompson or our admin team on [training@ccsadoption.org](mailto:training@ccsadoption.org); they will also help with bookings and payments.

### Safer Care

“The practical exercise was eye opening and makes you really think about situations in more depth. Definitely a good lesson to learn.

Thank you CCS.”

### Linking and Matching

“We took a lot from this session and were grateful for the calm, kind and soft approach of the trainers.”

### Therapeutic Parenting

“The Theraplay games were great and I’ll definitely take away and use those in the future.”

## Training sessions

### Core adoption preparation training

Day 1 Full day | Day 2 Full day | Day 3 Full day | Day 4 Full day

### Family & friends training

Half day

### Specific adoption preparation training sessions

Life story work Half day | Preparing for education Half day

## Further information

- Half day training is 3 hours long and can be offered as a 3-hour evening session. Full day training is 6 hours long.
- Training during the family finding stage supports adopters wishing to broaden their search when family finding is taking longer.
  - Training days can be commission by adoption agencies online, or face to face, in or near Bristol.
- If you wish to book a space for an individual family or if your agency wants to commission us to deliver a course just for your adopters, please contact our trainer Jane Thompson or our admin team on [training@ccsadoption.org](mailto:training@ccsadoption.org); We will also be able to provide further information about any of the training that CCS Adoption is currently offering.
